**GLOBAL NOTES, METHODOLOGY, AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

iHeartMedia, Inc. (“iHeart”) and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “Debtors”), with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements,” and together with the Schedules, the “Schedules and Statements”) with the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”), under section 521 of title 11 of the United States Code (the “Bankruptcy Code”), Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 1007-1 of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

These *Global Notes, Methodology, and Specific Disclosures Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs* (the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors’ Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and

¹ Due to the large number of Debtors in these chapter 11 cases, for which joint administration has been granted, a complete list of the Debtors and the last four digits of their tax identification, registration, or like numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors’ claims and noticing agent at <https://cases.www.primeclerk.com/iheartmedia>. potential adjustment and reflects the Debtors' reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

The Debtors and their agents, attorneys, and advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents, attorneys, and advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and advisors are advised of the possibility of such damages.

Mr. Scott Hamilton, Senior Vice President, Chief Accounting Officer and Assistant Secretary of Debtor iHeartMedia, Inc., has signed each of the Schedules and Statements. Mr. Hamilton is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Hamilton necessarily has relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors. Mr. Hamilton has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Global Notes and Overview of Methodology

1. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, but inadvertent errors or omissions may exist. The Debtors reserve all rights to: (i) amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including the right to amend the Schedules and Statements with respect to the description, designation, or Debtor against which any claim against a Debtor ("Claim")² is asserted; (ii) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; (iii) subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or (iv) object to the extent, validity, enforceability, priority, or avoidability of any Claim (regardless of whether of such Claim is designated in the Schedules and Statements as "disputed," "contingent," or "unliquidated"). Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such Claim or amount is not "disputed," "contingent," or "unliquidated."

² For the purposes of these Global Notes, the term Claim shall have the meaning as defined under section 101(5) of the Bankruptcy Code.

Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 11 cases, including, issues involving Claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation or rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

2. **Description of Cases and "As Of" Information Date.** On March 14, 2018 (the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code.

The asset information provided herein represents the asset data of the Debtors as of the Petition Date, except as otherwise noted. The liability information provided herein represents the outstanding pre-petition liabilities as of the date of filing the Schedules.

3. **Net Book Value of Assets.** Unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values as of March 14, 2018. The book values of certain assets may materially differ from their fair market values and/or the Debtors' enterprise valuation that will be prepared in connection with the disclosure statement to the Debtors' chapter 11 plan of reorganization. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors' enterprise value.

Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets or the impact of the industry environment and may differ materially from the actual value and/or performance of the underlying assets.

4. **Recharacterization.** Notwithstanding the Debtors' reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.
5. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of

their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

6. **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including, employee benefit accruals, and in some instances accrued accounts payable. In addition, certain immaterial assets and liabilities may have been excluded.

The Bankruptcy Court has authorized (but not directed) the Debtors to pay, in their discretion, certain outstanding Claims on a postpetition basis. As discussed below, prepetition liabilities that the Debtors have paid postpetition pursuant to relief granted by the court may not be listed in the Schedules and Statements.

7. **Insiders.** For purposes of the Schedules and Statements, the Debtors defined “insiders” pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of the Debtors; (d) relatives of the Debtors’ directors, officers, or persons in control of the Debtors; and (e) debtor/non-debtor affiliates of the foregoing. Persons listed as “insiders” have been included for informational purposes only and by including them in the Schedules, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtors do not take any position with respect to: (a) any insider’s influence over the control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or any such insider could successfully argue that he or she is not an “insider” under applicable law or with respect to any theories of liability or for any other purpose.
8. **Personal Identification Information.** Pursuant to the *Order (I) Authorizing the Debtors to File a Consolidated List of Creditors and a Consolidated List of the 30 Largest Unsecured Creditors, (II) Authorizing the Debtors to Redact Certain Personal Identification Information, (III) Approving the Form and Manner of Notifying Creditors of the Commencement of These Chapter 11 Cases, and (IV) Granting Related Relief* [Docket No. 114], the Debtors have redacted certain personal identification information contained in the Schedules and Statements. Payments made to individuals, including insiders as discussed above, and certain other instances where personally identifiable information could otherwise be disclosed, have been reported without disclosing personally identifiable information. In addition, payments to or for the benefit of insiders have been disclosed in aggregate amounts, without separately identifying amounts paid to a given insider or otherwise disclosing personally identifiable information.
9. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor

owner. However, in some instances intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

10. **Executory Contracts.** Although the Debtors made reasonable efforts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.
11. **Classifications.** Listing (a) a Claim on Schedule D as "secured," (b) a Claim on Schedule E/F as "priority," (c) a Claim on Schedule E/F as "unsecured," or (d) a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such Claims or contracts or to setoff of such Claims.
12. **Claims Description.** Schedules D and E/F permit each of the Debtors to designate a Claim as "disputed," "contingent," and/or "unliquidated." Any failure to designate a Claim on a given Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by that Debtor that such amount is not "disputed," "contingent," or "unliquidated," or that such Claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any Claim reflected on their respective Schedules and Statements on any grounds, including liability or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such Claims as "disputed," "contingent," or "unliquidated." Moreover, listing a Claim does not constitute an admission of liability by the Debtors.
13. **Causes of Action.** Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in the Schedules and Statements, including causes of action that are required to be kept confidential and causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment, and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.
14. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- Undetermined Amounts. The description of an amount as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.
 - Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
 - Paid Claims. The Debtors were authorized (but not directed) to pay certain outstanding prepetition Claims pursuant to various orders entered by the Bankruptcy Court. Accordingly, certain outstanding liabilities that have been reduced by postpetition payments made on account of prepetition liabilities have been designated as contingent. To the extent the Debtors pay any of the Claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of or duplicate payments for any such liabilities.
 - Unknown Debtors. In certain instances, contracts do not specify a particular Debtor or include an incorrect legal entity as the contractual counterparty. In addition, threatened litigation, on occasion, does not indicate the potentially liable Debtor(s). In these instances, responses have been listed in the appropriate Statement or Schedule at iHeartMedia Management Services, Inc. out of an abundance of caution.
 - Business Unit Level. The Debtors have created business units that function as profit and cost centers for purposes of recording financial activities. Business units have been historically treated as discrete entities for accounting purposes, but such business units are not separate legal entities. Thus, business units have been combined within the relevant Debtor entity for purposes of reporting in the Statements and Schedules.
 - Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
15. Currency. All amounts are reflected in U.S. dollars.
16. Intercompany Payables and Receivables. Intercompany payables and receivables between the Debtors as of the Petition Date are set forth on Schedule E/F or Schedule A/B, as applicable.

As described more fully in the *Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System and Maintain Existing Bank Accounts and (B) Continue to Perform Intercompany Transactions and (III) Granting Related Relief* [Docket No. 14] (the “Cash Management Motion”), the Debtors engage in a range of intercompany transactions in the ordinary course of business. Pursuant to the order granting the relief requested in the Cash Management Motion [Docket No. 454] (the “Cash Management”

Order”), the Bankruptcy Court has granted the Debtors authority to continue the intercompany transactions in the ordinary course of business.

Intercompany transactions amongst the Debtors that result from operations are recorded in the Debtors’ books and records in intercompany accounts receivable at the business unit level. As previously discussed, these business units combine into specific legal entities. Nearly all transactions performed by the Debtors result in an intercompany transaction, which are accretive to prior balances recorded in the Debtors’ books and records. As discussed in the Cash Management Motion, all funds that enter the Debtors’ cash management system are held in an account owned by iHeartMedia Management Services, Inc. Given the concentration of funds received on behalf of all Debtors into an account owned by iHeartMedia Management Services, Inc., and the subsequent distribution of funds therefrom for the benefit of all Debtors, or to accounts owned by other Debtors, for purposes of presentation of intercompany balances, the Debtors’ have attributed all receivable and payable positions of the Debtors to iHeartMedia Management Services, Inc., for illustrative purposes solely for the purposes of the Schedules and Statements.

In addition to intercompany transactions that result from operations, the Debtors maintain certain notes payable, which reflect documented agreements amongst certain legal entities of the Debtors. For purposes of presentation, these amounts are shown as payables to or receivables from those legal entities specified in the agreements.

In connection with the cash management arrangements for Clear Channel Outdoor Holdings, Inc. (“CCOH”), the Debtors maintain an intercompany revolving promissory note payable to CCOH (the “Intercompany Note”), which matures on May 15, 2019. Pursuant to the Cash Management Order, as of March 14, 2018, the pre-petition balance of the Intercompany Note has been frozen.

The listing by the Debtors of any account between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor’s books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors reserve all rights with respect to such accounts.

17. **Setoffs.** The Debtors periodically incur certain setoffs in the ordinary course of business.

Setoffs in the ordinary course can result from various items including, but not limited to, intercompany transactions, pricing discrepancies, returns, warranties, credits, refunds, negotiations, and/or disputes between the Debtors and their vendors or customers, and other disputes between the Debtors and their customers and/or suppliers. These normal setoffs are consistent with the ordinary course of business in the Debtors’ industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors’ Schedules and Statements.

18. **Global Notes Control.** In the event that the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Debtors' Schedules

Schedules Summary. Except as otherwise noted, the asset and liability information provided herein represents the Debtors' assets and liabilities as of the Petition Date.

For financial reporting purposes, the Debtors and certain of their non-Debtor affiliates ordinarily prepare consolidated financial statements. Unlike the consolidated financial statements, the Schedules reflect the assets and liabilities of each Debtor on a nonconsolidated basis. Accordingly, the totals listed in the Schedules will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of each Debtor. Certain write-downs, impairments, and other accounting adjustments may not be reflected in the Schedules. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or at any time before the Petition Date.

Schedule A/B.3. The bank account balances listed are as of the Petition Date and may vary from book balances. While certain individual accounts may be listed in Schedule A/B.3 with a negative balance, the Debtors and their banks view the cash pool as a single aggregated system which has a net positive balance. Accounts listed include a variety of types, including one account at Fidelity ending in x1576, which holds assets for the Debtors' deferred compensation plan.

Schedule A/B.10. The Debtors own over 10,000 URL names, some of which they do not use. The Debtors have not listed all such URL names given the voluminous amount of information, but do not disclaim any ownership rights over such URL names, which rights are hereby reserved. For any URLs listed for which ownership could not be determined, iHM Identity, Inc. was assigned as the owner.

Schedule A/B.11. The Debtors allocate all accounts receivable attributable to radio station operations at iHeartMedia Management Services, Inc., while the corresponding allowance for doubtful accounts remains on the books of the Debtor entity that operates the applicable radio station(s).

Schedule A/B.15. Equity interests in subsidiaries and affiliates primarily arise from common stock ownership or member or partnership interests. For purposes of these Schedules, the Debtors have listed an undetermined value for the equity interests of all subsidiaries and affiliates. Nothing in these Schedules is an admission by or conclusion of the Debtors regarding the value of such subsidiary and affiliate equity interests, which, under certain fair market or enterprise valuation analyses, may have value. The book values of certain assets may materially differ from their fair

market values and/or the Debtors' enterprise valuation to be prepared in connection with the Disclosure Statement.

In the ordinary course of business, the Debtors engage in barter relationships by which they offer media, or advertising space, in exchange for equity in the company that will utilize the media or advertising space. For purposes of these Schedules, the Debtors have listed an undetermined value for these equity interests. Nothing in these Schedules is an admission or conclusion of the Debtors regarding the value of each equity interest.

Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets or the impact of the industry environment and may differ materially from the actual value and/or performance of the underlying assets. As such, the value listed in these Schedules and Statements cannot be, and was not, used to determine the Debtors' enterprise valuation.

Schedule A/B.55. It would be time consuming, an inefficient use of the Debtors' resources, or otherwise impracticable, to review and determine the jurisdictional treatment for each piece of property listed on Schedule A/B.55. Consequently, the Debtors take no position as to the tax treatment for property listed on this schedule.

Schedule A/B.72. This amount includes all NOLs of the consolidated tax group of which iHeartMedia, Inc., is the parent, including certain amounts that, under the applicable consolidated tax return rules, are attributable to non-Debtor subsidiaries.

Schedule A/B.77. The listing by the Debtors of any account between a Debtor and another Debtor or between a Debtor and a non-Debtor subsidiary or affiliate is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.

Schedule D. The Debtors have not included parties that may believe their Claims are secured through setoff rights, inchoate statutory lien rights, or other lien rights created by the laws of the various jurisdictions in which the Debtors operate. Various Debtors are borrowers, and certain of the other Debtors are guarantors, under prepetition secured funded debt obligations. Although there are numerous beneficial holders of such debt, only the administrative agents have been listed for purposes of Schedule D, where applicable. For the avoidance of doubt, the funded debt amounts listed in Schedule D include obligations where the beneficial holder is another Debtor. The amounts outstanding under the Debtors' prepetition secured debt reflect approximate amounts as of the Petition Date.

Descriptions provided on Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens.

Schedule E/F. The listing by the Debtors of any account between a Debtor and another Debtor or between a Debtor and a non-Debtor subsidiary or affiliate is a statement of what appears in a

particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts. Various Debtors are borrowers, and certain of the other Debtors are guarantors, under prepetition funded obligations. Although there are numerous beneficial holders of such debt, only the administrative agents and indenture trustees, as applicable, have been listed for purposes of Schedule E/F, where applicable. For the avoidance of doubt, the funded debt amounts listed in Schedule E/F include obligations where the beneficial holder is another Debtor.

The claims of individual creditors for, among other things, goods, products, services, customer refunds, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

Under the *Order (I) Authorizing the Payment of Certain Prepetition Taxes and Fees, and (II) Granting Related Relief* [Docket No. 106] (the "Tax Order"), the Bankruptcy Court granted the Debtors authority to pay the prepetition Claims of regulatory authorities on account of taxes and fees. The amounts accrued and payable on account of such Claims may not be reflected on the Schedule E/F.

Under the *Final Order (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses, and (B) Continue Employee Benefits Programs and (II) Granting Related Relief* [Docket No. 453] (the "Wages Order"), the Bankruptcy Court granted the Debtors authority to pay or honor certain prepetition obligations for employee wages, salaries, and other compensation, reimbursable employee expenses, and employee medical and similar benefits. The Debtors have not listed on Schedule E/F any wage or wage-related obligations that the Debtors have paid postpetition pursuant to relief granted by court order entered by the Bankruptcy Court.

Under the *Final Order (I) Authorizing the Debtors to Honor Certain Prepetition Obligations to Customers and Continue Certain Customer Programs in the Ordinary Course of Business and (II) Granting Related Relief* [Docket No. 105], the Bankruptcy Court granted the Debtors the authority to pay, honor, or maintain its customer programs (*i.e.*, ad sale obligations, customer refund obligations, prepaid event and newsletter obligations, and software and data obligations). The Debtors have not listed on Schedule E/F any customer or customer-related obligations that the Debtors have paid postpetition pursuant to relief granted by court order entered by the Bankruptcy Court.

Under the *Final Order (I) Authorizing the Debtors to Pay or Honor Prepetition Claims and Obligations of On-Air Talent, Station Affiliates, and Copyright Owners and (II) Granting Related Relief* [Docket No. 456], the Bankruptcy Court granted the Debtors the authority to pay or honor obligations with respect to its on-air talent (*i.e.*, paying talent, service fees, revenue sharing payments), payments due under affiliate contracts, obligations related to the Katz business, and royalty obligations. The Debtors have not listed on Schedule E/F any On-Air Talent, Station

Affiliate or Copyright obligations that the Debtors have paid postpetition pursuant to relief granted by court order entered by the Bankruptcy Court.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date. The Debtors have made every effort to include as contingent, unliquidated, or disputed the Claim of any vendor not included on the Debtors' open accounts payable that is associated with an account that has an accrual. Further, in addition to the items listed in Schedule E/F, certain of the Debtors, from time to time, provide performance guarantees of obligations of certain other Debtors or Debtor affiliates in connection with various contractual obligations, which may not be listed in the Schedules.

Schedule G. Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or over-inclusion may have occurred in preparing Schedule G. Certain of the instruments reflected on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule G. The Debtors hereby expressly reserve the right to assert that any instrument listed on Schedule G is an executory contract within the meaning of section 365 of the Bankruptcy Code. The Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B, including their right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement) related to a creditor's claim.

Certain confidentiality, hold harmless, and non-compete agreements may not be listed on Schedule G. In addition, agreements and underlying documentation related to the Debtors' prepetition debt is not included in Schedule G. The Debtors reserve all of their rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry.

The Debtors are party to thousands of ordinary course contracts, terms and conditions, insertion orders, and similar agreements (written and oral) providing for the sale of advertising time to a customer (collectively the "Insertion Orders"). Insertion Orders are typically short-term contracts with terms of [three] months or less. It would be time consuming and an inefficient use of the Debtors' resources, or otherwise impracticable, to identify and review each Insertion Order. Consequently, Schedule G does not list Insertion Orders, even though some of the contracts on Schedule G may be Insertion Orders or other customer contracts.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or

unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

Schedule H. Although there are multiple beneficial holders of the Debtors' prepetition debt, only the administrative agents and indenture trustees have been listed on Schedule H.

Specific Disclosures with Respect to the Debtors' Statements

Statement 2. For financial reporting purposes, the Debtors and certain of their non-Debtor affiliates historically prepare consolidated financial statements. Unlike those consolidated financial statements, Statement 2 reflects the non-business revenue of each Debtor on a nonconsolidated basis. Accordingly, non-business revenue reported for individual Debtors may be shown in the Statements as revenue for that Debtor, whereas on a consolidated basis, may be shown as a net expense.

Statement 3. In Statement 3, disbursements made on account of multiple invoices may be reflected as a single payment.

All disbursements listed in Statement 3 are made through the Debtors' cash management system, more fully described in the Cash Management Motion. Dates listed in Statement 3 reflect the dates upon which the Debtor transferred funds to the relevant payee or disbursing agent. Certain disbursements may be excluded from Statement 3, including disbursements to insiders, disbursements to charities, and disbursements to certain retained professionals (reported elsewhere).

Statement 4. Payments made to individual insiders have been reported in aggregate amounts by basis of distribution. Such payments reflect expense reimbursements paid directly to the individual insider, and do not include business expenses incurred by the individual insider when paid directly by the company to a third party, including under corporate card programs.

Individual payments to Debtor affiliates are not reflected in Statement 4 due to their complexity and voluminous nature. The Debtors have reported net intercompany positions in Statement 4 for the period 3/31/2017 to 3/14/2018. In addition, intercompany payables and receivables as of the Petition Date can be found on Schedule E/F and Schedule AB.

Statement 9. The Debtor's radio stations routinely offer in-kind donations of radio airtime to charities. This is not tracked for tax reporting purposes, and therefore not reported in this response.

Statement 11. All disbursements listed in Statement 11 were initiated and disbursed by iHeartMedia Management Services, Inc. but were for the benefit of all of the Debtors.

Statement 13. The Debtors do not take any position with respect to whether transfers identified in the response to Question 13 in the Statements are made in the ordinary course of business. Certain transfers listed in this response are included solely out of an abundance of caution.

Statement 25. Information listed in Statement 25 is based on best historical corporate structure information available. Certain dates of ownership may be approximate and certain historical address information may be unavailable for entities that no longer exist. In the case of non-U.S. entities, U.S. tax ID numbers are not applicable.

Statement 26b. The Debtors have listed Ernst & Young LLP, the independent registered public accounting firm that has audited their consolidated financial statements in Statement 26b for all Debtors.

Statement 26d. Certain of the Debtors are registrants with the Securities and Exchange Commission (the “SEC”) and file with such agency periodic financial reports on a consolidated basis. These reports also contain information about those Debtors’ finances and are available publicly through the Company’s website.

Statement 28. Ownership interests listed in Statement 28 reflect shares directly held.

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
